Wireless, LLC*, WT Docket No. 12-4

**CONFIDENTIAL INFORMATION SUBJECT TO PROTECTIVE ORDER
IN WT DOCKET NO. 12-4 BEFORE THE FEDERAL
COMMUNICATIONS COMMISSION**

Dear Ms. Dortch:

On February 28, 2012, the undersigned, along with Robin Sangston of Cox Communications, Inc. ("Cox") and Barry Ohlson of Cox Enterprises, Inc., spoke on behalf of Cox with Tracy Waldon of the Media Bureau, Pamela Megna, Tom Peters, Susan Singer, Ziad Sleem and Thuy Tran of the Wireless Telecommunications Bureau, Eric Ralph of the Wireline Competition Bureau, Paul LaFontaine of the Office of Strategic Planning and Policy Analysis, and Joel Rabinovitz, Office of General Counsel of the Commission. The discussion focused on the types of data Cox TMI Wireless and Cox may have available in response to a possible request from the Commission.

As a follow-up to the discussion, Cox is submitting a copy of its organization chart and a list of the document custodians provided to the Antitrust Division of the Department of Justice.

The list of document custodians is being provided pursuant to the first protective order in this proceeding. It consists of proprietary, nonpublic information that is commercially valuable and the public disclosure of which would subject Cox to competitive harm. Under Section 0.457(d) of the Commission's rules, such information is subject to protection as confidential.
